Text 1 «My hobby is reading»

My hobby is reading. It has been a great pleasure for me since my childhood. The world of literature is fascinating and infinite. It certainly doesn't mean that I love all the books. To tell the truth, finding a good book is not so easy. I prefer historical novels, classical and informative literature and some professional books concerning business and management as I am going to run a business of my own in future. I never choose a book only by its colourful cover. As a rule, I look through its pages, read about the writer and his awards. My favourite writers are Victor Hugo, Alexandre Dumas and Dan Brown.

It goes without saying that some of the books have become my favourites. When I open one of them I immerse in the world of my favourite heroes at once. A book is able to make me laugh or cry because I start feeling exactly what the characters feel. I experience somebody's pain or joy and I understand that the art of the word in some books is extremely powerful. The book gives me a chance to look at our life through the author's eyes, to analyze and agree or disagree with his point of view. Sometimes a book can completely change my way of thinking or help me to solve some serious personal or psychological problem.

Unfortunately today most of people and teenagers are not fond of reading. They would rather prefer going to night clubs or just watching TV. They find reading a bit boring or a waste of time. To my mind everything depends on the book. I am sure that without reading one cannot become an intelligent and educated person. People would consider him to be ignorant, illiterate or even ill-mannered, his vocabulary would be quite poor.

I should say that I enjoy reading not only books. I read magazines and I also surf the net and subscribe to interesting sites. These media can undoubtedly provide me with boundless and useful knowledge too. And by the way I often read e-books instead of the paper ones.

The book is my best and precious friend and it's always with me. I devote most of my free time to reading. I read in transport or when I have to wait in a queue. I always take a good book with me when I travel or go on holidays. And I usually read before going to bed because it helps me to unwind at the end of a long and stressful day. I never feel lonely when I have a great book in my hands.

Перевод текста 1 "Мое хобби - чтение"

Мое хобби – чтение. Оно доставляет мне огромное удовольствие с детства. Мир литературы увлекателен и бесконечен. Разумеется, это не означает, что я люблю все книги. Честно говоря, найти хорошую книгу не так-то и легко. Я предпочитаю исторические романы, классическую и познавательную литературу и некоторые профессиональные книги, касающиеся бизнеса и менеджмента, так как я собираюсь

руководить собственным делом в будущем. Я никогда не выбираю книгу только по красочной обложке. Как правило, я перелистываю страницы, читаю об авторе и его наградах. Мои любимые писатели – это Виктор Гюго, Александр Дюма и Дэн Браун.

Разумеется, некоторые книги стали мои фаворитами. Когда я открываю одну из них, я сразу же погружаюсь в мир моих любимых героев. Книга способна заставить меня смеяться или плакать, потому что я начинаю чувствовать именно то, что чувствуют герои. Я испытываю чью-то боль или радость, и я осознаю, что искусство слова в некоторых книгах обладает исключительной силой. Книга дает мне возможность взглянуть на нашу жизнь глазами автора, проанализировать и согласиться или нет с его точкой зрения. Иногда книга может полностью изменить мой образ мышления или помочь мне разрешить серьезную личную или психологическую проблему.

К сожалению, сегодня большинство людей и подростков не увлекаются чтением. Они предпочитают походы в ночные клубы или же просто просмотр телевизора. Они считают чтение скучным или пустой тратой времени. По-моему мнению, все зависит от книги. Уверен, что без чтения человек не может стать умным и образованным человеком. Люди будут считать его невежественным, безграмотным и даже невоспитанным, его словарный запас будет бедным.

Следует отметить, что я люблю читать не только книги. Я читаю журналы и также брожу по интернету и регистрируюсь на интересных сайтах. Эти средства информации также могут бесспорно обеспечивать меня безграничными и полезными знаниями. И, между прочим, я часто читаю электронные книги вместо бумажных.

Книга – мой лучший и бесценный друг, и она всегда со мной. Я посвящаю большую часть свободного времени чтению. Я читаю в транспорте или когда мне нужно ждать в очереди. Я всегда беру с собой хорошую книгу в путешествие или в отпуск (на каникулы). И я обычно читаю перед сном, так как это помогает мне отвлечься в конце длинного, стрессового дня. Мне никогда не бывает одиноко, когда в руках есть классная книга.

Text 2 «My hobby is dancing»

I always admire the people who can dance. Many years ago I chose dancing as my main hobby. And now it is my real passion, I can't imagine my life without it.

I have been dancing since I was 7. I have tried a lot of dance styles: folk dance, elegant ballroom dance, ballet dance and even lively hip-hop and break-dance. I was really fond of slow waltz, tango, rumba, salsa and cha-cha-cha. I liked that all Latin dances were hot and optimistic. And I'm sure everyone knows that ballroom costumes are fabulous and you look marvelous in

them. It goes without saying that quite a lot depends on your partner. As for my partner, he was great. Our couple participated in different dance contests and concerts which gave us lots of pleasant memories and positive experience.

Now I am keen on jazz dances. This style is widely used in Broadway shows and musical comedies such as "Chicago" and "Cabaret". And it has become very popular in our country in recent years. I attend my dance classes 3 times a week. My choreographer is a skilled and talented person. The art of dancing inspires me. I feel very confident and happy after the classes. They give me an ocean of emotions, confident bearing, grace, co-ordination and balance. I enjoy jazz because I find the body movements very beautiful and rhythmic. I can express my feelings with the help of them. Jazz dancing is like original non-verbal communication for me. Besides, it requires much energy, effort and flexibility. It isn't an easy style to dance and you should work hard to master it. Sometimes our group takes part in jazz sessions or dance battles. It's so much fun and excitement.

When I feel sad I just start dancing and improvising. It helps me feel better immediately because every movement and leap, every step and turn makes the world around me brighter. When I dance I forget about everything. So my hobby is my medicine too. And it keeps me physically fit.

Перевод текста 2 "Мое хобби - танцы"

Я всегда восхищаюсь людьми, умеющими танцевать. Много лет назад я выбрала танцы в качестве своего основного увлечения.

Я танцую с 7 лет. Я пробовала разные танцевальные стили: народные танцы, элегантные бальные танцы, балет и даже зажигательный хип-хоп и брейк-данс. Меня очень увлекали медленный вальс, танго, румба, сальса и ча-ча-ча. Мне нравилось, что все латинские танцы были горячими и оптимистичными. И я уверена, все знают, что бальные костюмы потрясающи, и ты выглядишь в них восхитительно. Разумеется, многое зависит от твоего партнера. Что касается моего партнера, то он был великолепен. Наша пара участвовала в различных танцевальных соревнованиях и концертах, что давало нам массу приятных воспоминаний и положительного опыта.

Сейчас я занимаюсь джаз-танцами. Этот стиль широко используется в Бродвейских шоу и музыкальных комедиях, таких как «Чикаго» и «Кабаре». И он стал очень популярен в нашей стране в последние годы. Я хожу на занятия трижды в неделю. Мой хореограф – опытный и талантливый человек. Искусство танца вдохновляет меня. Я чувствую уверенность и счастье после занятий. Они дарят мне море эмоций, уверенную осанку, грацию, координацию и баланс. Мне нравится джаз, потому что я нахожу телодвижения очень красивыми и ритмичными. Я могу выразить свои чувства с их помощью. Джаз-

танцы для меня являются оригинальным невербальным общением. Кроме того, они требуют много энергии, усилий и гибкости. Это нелегкий танцевальный стиль, и вам нужно много трудиться, чтобы освоить его. Иногда наша группа принимает участие в джаз-сессиях или танцевальных битвах. Это очень весело и увлекательно.

Когда мне грустно, я просто начинаю танцевать и импровизировать. Это сразу же помогает мне чувствовать себя лучше, так как каждое движение и прыжок, каждый шаг и поворот делает мир вокруг меня ярче. Когда я танцую, я забываю обо всем. Поэтому мое хобби – это и мое лекарство. И оно помогает мне оставаться физически подтянутой.

Text 3 «My hobby is drawing»

Hobbies make our life more colourful and they keep us occupied in our leisure time. And I believe hobbies help us both to relax and to develop.

My favourite hobby is drawing. I started drawing when I was five. My mother was a great teacher in my childhood, she always encouraged me and praised my funny drawings. She even decorated the house with them. And the best presents on my parents' and grandparents' birthdays were also my drawings. Of course I was pleased and quite proud of my works. Since then this hobby has become a very important part of my life.

I studied drawing from the special literature containing different sketches. I learnt to imitate drawing nature, beautiful buildings, human faces and bodies, animals and birds. I practiced in making them realistic and natural. My hobby made me observe the world around me every minute of my life. I realized that observation was the main thing in the art of painting and drawing.

Today drawing and painting are so much fun to me. I just need a paint brush and watercolour, crayons or pencils and some drawing paper. And I feel happy and never get bored with my hobby. I try to show all my devotion, imagination and creativity in my works. Mostly I am fond of still-lives and landscapes in light colours. Although it happens sometimes that I suddenly take a pen and start drawing whatever comes to my mind. I don't consider myself to be a great artist and I still have much to be improved but my friends are always amazed at my pictures and they find them unique.

Drawing brings me real satisfaction. It is my own little world. And I hope one day it will help me to focus on my goal and become a graphic designer.

Перевод текста 3 "Мое хобби - рисование"

Хобби придают нашей жизни больше красок, и они занимают нас в свободное время. И я полагаю, что хобби помогают нам и отдыхать, и развиваться.

Мое любимое хобби – рисование. Я начала рисовать, когда мне было пять лет. Моя мама стала великим учителем в детстве, она всегда подбадривала меня и хвалила мои забавные рисунки. Она даже украшала ими наш дом. А лучшими подарками на дни рождения моих родителей и бабушки с дедушкой были также мои рисунки. Разумеется, мне было приятно и гордилась своими работами. С тех пор мое хобби стало важной частью моей жизни.

Я училась рисовать по специальной литературе, содержащей различные наброски. Я училась копировать рисунки природы, красивых зданий, человеческих лиц и тел, животных и птиц. Я старалась делать их реалистичными и натуральными. Мое хобби заставило меня наблюдать за окружающим миром каждую минуту своей жизни. Я поняла, что наблюдение является главным в искусстве живописи и рисования.

Сегодня рисование и живопись доставляют мне столько радости. Мне лишь нужна кисть и акварель, мелки или карандаши и бумага для рисования. И я становлюсь счастливой и никогда не устаю от моего хобби. Я пытаюсь вложить всю любовь, воображение и креативность в свои работы. В основном, я увлекаюсь натюрмортами и пейзажами в светлых тонах. Хотя иногда случается, что я внезапно берусь за ручку и начинаю рисовать все, что приходит в голову. Я не считаю себя великой художницей, и мне еще многое нужно совершенствовать, но моих друзей всегда удивляют мои картины, и они находят их уникальными.

Рисование доставляет мне истинное удовольствие. Это мой маленький собственный мир. И я надеюсь, что однажды это поможет мне сконцентрироваться на моей цели и стать графическим дизайнером.

Критерии оценивания письменного перевода:

Письменный перевод оригинального специализированного текста с иностранного языка на родной является эффективным способом контроля полноты и точности понимания.

При оценке письменного перевода учитываются следующие критерии:

- научный стиль перевода;
- точность и эквивалентность перевода;
- свободное владение профессиональной терминологией;
- соблюдение всех структурно-грамматических категорий при передаче информации.

В соответствии с уровнем выполнения задания может получить следующее количество баллов:
